Just because something cannot be seen, doesn't mean it doesn't exist. We cannot see God but his presence and his love is all around.

Look through the eyes of a child and learn how God's love can be seen in everything. From the simple sound of a dog's bark to the changing colors of the leaves, they are examples of how much God loves us.

Filled with vibrant illustrations and a simple yet touching story, this picture book is a reminder that everyone can experience the love of God because it is in God's Touch.
